

Client: MWB Group

Location: Various

Sector: Commercial

Project value: Circa 5-10M

Projects: MWB Exchange – Liverpool St, Houndsditch, Cavendish Sq, Paddington, Bank, Grosvenor Gardens, Tottenham Court Road, Bakers Street and City Tower

Brief

To complete a rollout program of CAT B fast track mechanical and electrical fit out contracts in numerous buildings for serviced office use. The buildings spanned across London from the West End to the City.

Action

JCA were invited to join a collaborative team process by the client and their professional team, for all project stages. Our knowledge and experience on early budgeting and design, together with our ability to establish cost certainty against client requirements, design and quality was welcomed by the professional team.

Outcome

All projects resulted in providing additional, quality, asset office space for the client. This enabled them to forward sell the space, resulting in the growth in their business model and offering; a successful outcome for all.
